### **Manufacturers Never Coordinate Any Warranty Work!**

**1**

Manufacturers **"Never Coordinate Warranty Work"** for the customers. Dealers are responsible for the Manufacturers Warranty, even though it's called the Manufacturers Warranty. The Manufacturers don't provide any support when you call for service. The Manufacturers always refer you back to the dealer when you call for support.

### **Don't Sign Sales Orders!**

**2**

You shouldn't be asked to sign any sales order before having your order shipped. **This is a Red Flag. Read it carefully.** Make sure they don't have any disclaimers in there. You shouldn't sign anything that says the manufacturer is responsible for the warranty work and replacement. Only JTF can offer you Piece Of Mind with
